Office of Legislative Counsel

15 JUN 1978

Honorable Richard S. Schweiker
United States Senate
Washington, D.C. 20510

Dear Senator Schweiker:

This is in response to your inquiry of 6 June 1978 on behalf of your constituent, [redacted] University of Pittsburgh, for Agency publications.

25X1

Most CIA unclassified publications are available to the general public through the Library of Congress and/or the Government Printing Office. However, for some reason, the publication entitled "Israel and Borderlands: Reference Maps" has not been included in these systems. We are, therefore, enclosing a copy for your constituent.

We have no compilation of maps on Europe or Asia. We do have publications entitled "Maps of the World's Nations" on Africa and the Western Hemisphere. If [redacted] is interested in these publications, they can be purchased from the Government Printing Office, Superintendent of Documents, Washington, D.C. 20402, telephone (202) 783-3238.

25X1

Please let us know if we can be of further assistance. In accordance with your request, we are returning the enclosure to your correspondence.

Sincerely,

[redacted]
